COUNTRY COLLECTION

# THREE DISTINCT SURFACE LANGUAGES

Country brings Alexandria's linear melange, Beatriz's deconstructed houndstooth and Ellis's distressed geometry into one coordinated textile story.

Each family shifts the balance between texture and pattern, giving specifiers a flexible path from quietly tonal rooms to bold feature seating.

# ALEXANDRIA

A dense, linear melange with a warm hand and softly striated colour. Alexandria builds quiet depth without asking to be the loudest element in the room.
